

Q221 Special Procurement Quality Assurance Requirements - rev 4/27/01

CELLULOSIC CUSHIONING MATERIALS

Cellulosic cushioning materials as specified in Federal Specification PPP-C-843 are NOT to be used as packaging materials.

CORRECTIONS OR ADDITIONS TO DOCUMENTS SUBMITTED WITH SHIPMENTS

- A. Corrections made by the use of correction fluid on any and all documents accompanying parts delivered to buyer under this contract are not permitted.
- B. Minor corrections:
 - 1. Line outs shall be made in ink.
 - 2. Additions/corrections shall be entered in ink or typing.
 - 3. The specific changes shall be identified by date and initials or stamp adjacent to each change.
- C. Major additions/corrections require a complete reissue of the affected document. Note: This Special Procurement Quality Code does not apply to electronic components requiring Welding or Radiographic Inspection.
