### **SPACEFLIGHT FASTENER REQUIREMENTS – NASA-STD-6008**

Spaceflight Fasteners (Installed and/or Uninstalled):

Seller shall assure all Spaceflight fasteners provided to Buyer under this purchase contract meet the requirements of NASA-STD-6008. Seller shall assure the fasteners have “Complete Traceability” as defined by NASA-STD-6008 and manufacturer certifications, test reports, inspection reports, chain of custody, and fastener documentation are sent to Buyer’s Authorized Representative. Seller shall send Buyer’s Authorized Representative a signed certification stating that delivered Spaceflight fasteners (installed and/or uninstalled) under this purchase contract comply with the stated requirements of NASA-STD-6008.
