

MATERIAL REVIEW AUTHORITY

Material Review Authority (MRA) is granted for Seller's disposition of Goods as specified in the latest-version of Buyer's MRA delegation letter. Seller is not authorized to sub-delegate Buyer's MRA, unless explicitly authorized per Buyer's MRA delegation letter.

Seller is required to maintain conformance to Buyer's MRA delegation letter, as may be amended from time to time.

Buyer's MRA delegation letter is issued, and updated, as appropriate by Buyer's Authorized Procurement Representative.
