BUYER'S IN-PROCESS SOURCE INSPECTION REQUIRED - DELIVERABLE

Goods require source inspection by Buyer's Supplier Quality Representative at in-process (pre-cap / prior to installation of lid(s) or covering of the item).

Seller shall contact Buyer's Supplier Quality Representative at least five working days in advance of the time that Goods will be available for source inspection. If Buyer's Supplier Quality Representative does not presently service Seller's facility, promptly notify Buyer's Authorized Procurement Representative so Buyer's Supplier Quality Representative can be assigned.

Seller shall ensure evidence of Buyer's Supplier Quality Representative's acceptance is provided with each shipment by including one of the following:

- a) A printed copy of Buyer's product verification system acceptance document showing the Detail ID number for the item(s) being shipped, or,
- b) Seller's shipping documentation with Buyer's Supplier Quality Representative's acceptance stamp impression and Buyer's product verification system Detail ID number visible on the shipping document.

Seller shall not ship Goods without complying with a) or b) above unless otherwise authorized in writing by Buyer's Authorized Procurement Representative.
