CONTROL OF "ENGINEERING USE ONLY" ITEMS – VARIABLE

This item is being procured for "Engineering Use Only"

Seller shall use International Orange, #12197, per Federal Standard 595 by applying a readily visible stripe painted around the item. When not possible to apply a visible stripe, due to size or configuration of item such as with gears, bearings, PC boards, etc. the item will be permanently marked (e.g.: vibra-etched, steel stamped or stenciled) with "Engineering Use Only".

Additionally, Seller shall annotate on shipping document, in area of the item number or item description, "Engineering Use Only". Additionally in same area, Seller shall annotate the following contact name and phone number.

Contact Name:
