**PROGRESS PAYMENTS**

It is anticipated that progress payments will be available under the contract contemplated by this solicitation in conformance with the standards for customary progress payments stated in FAR 32.501. If Bidder desires progress payments, Bidder must include a written request in its proposal, as progress payments will not be provided unless requested. A proposal that includes a request for progress payments will be evaluated on an equal basis with a proposal that does not include a request for progress payments.
