SPECIAL TEST EQUIPMENT - TITLE

Title to Special Test Equipment (STE) acquired by Seller under this contract will vest in Buyer or the Government, as applicable, upon payment by Buyer. Seller will maintain such STE in serviceable condition and will preserve and administer it for the exclusive use of Buyer, except that Seller may use such STE on a rent-free, noninterference basis in the performance of Government contracts with Buyer's prior written consent. If the STE is attached to or made a part of any other equipment or facility, Seller will be responsible for its removal and delivery in serviceable condition to Buyer upon written notification from Buyer.
