REPAIR DOCUMENTATION - REPAIR ACTION DOCUMENT

The following documents are required to be submitted to Buyer's procurement agent immediately upon shipment:

1. Repair action document
2. A copy of the completed DD250, filled out in accordance with attachment (1) set forth in this or DD1149 as required.
3. VIDS/MAF or equivalent form.
4. Serviceable tag (i.e. DD1574 attached to repaired unit; DD1574-1 attached to shipping container) or non serviceable tag (i.e. DD1577).

Seller is required to provide one set of documents with the returned material inside the shipping container, as well as retain one copy for Seller's files.

Seller's performance will not be deemed complete until the above documents have been received by the Buyer.
