

EXHIBIT A

ADDITIONAL CONTRACT PROVISIONS

Rights in Data. (Applicable only if technical data or computer software will be delivered.)

All technical data or computer software delivered by Seller to Buyer under this contract, other than technical data and computer software identified as containing proprietary information may be used duplicated or disclosed by the Buyer for purposes of performing its prime contract. Technical data or computer software identified as containing proprietary information shall be treated in accordance with a separate Proprietary Information Agreement between the parties.

Security Measures. (Applicable only if Seller is a U.S. Contractor.)

Seller will comply with all applicable Industrial Security agreements between the French and American governments that can be implemented by the Department of Defense Industrial Security Manual for Safeguarding Classified Information (DOD 5220.22-M).

Security Measures. (Applicable only if Seller is not a U.S. Contractor.)

a. Except with the consent of the Buyer in writing the Seller shall not disclose the Contract or any provisions thereof, or any specification, plan, drawing, pattern, sample or information issued or furnished by or on behalf of the Buyer in connection therewith to any person, other than a person employed or engaged by the Seller to carry out the Contract or any other subcontractor, supplier or other person employed for the same.

b. Any disclosure to any person permitted under a. of this clause shall be made in confidence and shall extend only so far as is necessary for the purpose of the Contract.

c. Where any information in connection with the Contract has been designated in writing by the Buyer as

"classified aspects":

(i) The Seller shall not disclose that information, shall not permit that information to be disclosed, and shall take all practicable measures to prevent that information being disclosed to any person (whether an employee of the subcontractor or not) who is not a person to whom the Seller is currently permitted by the U.S. Government to disclose classified information; and

(ii) The Seller shall protect that information grade for grade, in the manner and to the extent required by the French Republic for information of equivalent grading.

d. The Seller's obligation under this clause shall apply after as well as before the completion or the termination of the Contract.

e. Any breach by the Seller of its obligations under this clause shall entitle the Buyer (without prejudice to any other right or remedy) to terminate the Contract forthwith by notice in writing to the Seller.

Availability and Use of U.S., NATO, Saudi Arabian, U.K. and French Owned Assets. (Applicable only if such assets are identified by Seller prior to contract award.)

a. The price and performance of this contract are subject to rent-free authorization from the respective Government (U.S., NATO, U.K. and Saudi Arabia), for Seller use as necessary during performance of this contract, on a non-interference basis, of the special tooling, test equipment and other assets identified in and Boeing contract with Seller which supports a U.S. Government prime contract. In the event that a government withholds such authorization or charges Seller a rental fee, Seller will give advance notice of the amount of the fee to the Buyer.

b. Further, Seller is authorized to use, on a rent free, non-interference bases, those French-owned assets (i.e. facilities, tooling, test equipment, etc.) in the French Republic as necessary to perform the requirements of the contract.

Intellectual Property Indemnity.

Except for equipment or services furnished by the French government or the Buyer, Seller hereby agrees to indemnify and hold harmless Buyer against any claims, suits, actions, liabilities, damages and costs (excluding any incidental or consequential damages) relating to actual or alleged use or infringement (whether by manufacture, use, sale or otherwise) of any patent, registered design, copyright, or other intellectual property arising in or out of the performance of the Contract or the supply or provision of Service to Buyer or the use by Buyer of any article, drawing, document or other information or Service provided under the Contract.
